ed Mr. Thos. E. Lawes, for the past 13 years the Foreman of the blacksmith shop. a massive silver watch, valued at \$125. M Lawrey, for the long period in which he has served in the capacity of Fereman, has enjoyed the full confidence and respect of his superiors in the management of the affairs of the Road, and this testimonial from his old friends, the fellow-employees, shows fully that he also has secured their friendship and kindest remembrances.

Mr. Lawes, having severed this long consection with the Railroad, has entered into business connection with Arbs Holmes, Reg , in his foundry & machine shop If bonesty, integrity and industry is a guarane tee to success, this new firm cannot but be successful. We regret that other engagepents prevented us attended the meeting. graphically set forth below:

Ms. ED. Ton: It was my good fortune to be present at the presentation of a valuable watch to Mr. Thomas Lawes by the employees of the Terre Haute & Richmond Railroad, operating to the machine and ciplent of this testimonial has lately retired his services from the company to engage in the foundry business with our esteemed class in the rudiments of vocal music op townsman Arby Holmes, Keq. The inter- Tuesday evening next, Jan. 17th, at half esting ceremonies occurred at the Engine | past 6 o'clock, in the Armory Mission School House of the Nisgara Fire Company, last | Hall, on Third street All persons wishing Saturday evening. Mr. Lawes, or Tom Lawes, a thorough course of the first principles in as he is familiarly called, has had charge of | music, can now have the apportunity. The the smith department for the last thirteen years. His long service in this company will be a lasting memento of his skill and fidelity. The boys in a very quiet manner, got up and carried out this thing very creditably.

The Hall of the Engine House was lit up

and comfortably prepared for the occasion. One of the denors having let me into the secret, kindly invited me to be present. Or entering the Hall I found Mr. Chas. Peddle. in the Chair. At his right sat Mr. Smith, the present occupant of Mr. Lawes late position, ready to make the presentation speech. The seats around the Hall were well filled Mail 7:12 A. M. Exp 4:45 P. M Exp. 2:55 A. M with Tom's friends. In a few minutes Tom was unhered into the Hall by Dr. Frank Franktin and placed at the left of the Chairman. Mr. Smith, standing in his place at the right, in a feeling and appropriate man-

embarrassed, and well he might be. He, bowever, rathed and replied in a sensible sentation being concluded Mr. Peddle retired, whereupon Mr. Lyndon Smith was, by common consent, urged to take the Chair. He acknowledged the complement conferred upon him in terms of oberacteristic medesty and diffidence. Without delay he proceeded to business Mr. Grace was appointed Provest Marshal and instructed to guard the stairway and under the perils of a fearful penalty to Chair Three kegs of beer was then intri duced by the janitor and glasses filled, upon which the Chair gave a tremendous blow with the gavel He wished, he said, to offer a sentiment and he honed is would be responded to by three hearty cheers for Tom Lawes, wherenpon he proposed, "Tom Lawer,

he felt constrained to call upon Olf for a speech. Mr. Oliff after tak ug a odicum of bear advanced to the restress and delivered a powerful speech in the Weich I nguage He was frequently inter-

rupted by loud applause. Order being resored, the chair said te eaw present a distinguished member of the Terre Haute Historical Amateur Associati and he very sagely concluded if that gentleman could stand the combined force of two of Chancey Miller's omnibus borses, he might os-lbiv stand up under the pressure of a speech here to-night, he would therefore call upon that gentleman to say something. The Amateur took the stand and in general terms, proceeded to compliment his friend Tom Lawes, and made some happy allusions to his musical fame which had culminated on the banks of the Reservoier when he last rigited that classic about of water. He also alluded in a feeling manner to the Quail bunting excursion be had frequently enjoyed with his friend Tom in the vicinity of Beeley's, accompanied by Ben Dangler's celebrated pointer dog, whereupon the owner of the dog sprang to his feet and called the Amsteur to order. The chair falling to see the point, although it was a big thing ordered the gentleman to subside, and at the same time directed the Provoet Marshall to infeet late his stomach with a tip dipper a half gallon of beer. After this be remained quiet long enough for Mr. Soloman to introduce and finish a speech in French, which | gave the most exquisite pleasure and satisfaction After a bountiful passing around of beer,

gulet was again rest red. The obair with socsiderable muscular effort struck a blow with the gavel, and proceeded to say that the German element was a force not to be overlooked in this meeting. He would therefore call on them en masse to come forward and favor the occasion with one of their National sough. The very creditable manner i which they responded was demonstrated by the loud and repeated braves and bravemississes! in which Dr. Frank Franklin and Ben Dangler participated,

Order being perfectly, restored, the chair remarked with a tone and feeling that did great honor to his head and heart, that been in sufficient quantities should be immediately distributed, after which a loud call was made for the Hilbernian delegation. The

generosity upon Tom, and sit down amid That the Committee heretofore appointed | tond and prolonged plaudits. The chair orbe and are hereby instructed to see that ev- | dered instantly an administration of beer ery man in the Township not liable to do which operated wholesomely on the excited

Order being once more restored, the chair announced fa a grave and impressive manner | LaSI that Mr. Solomon would now sing the Marsailles Hymn in the language in which it was composed. After taking a small decaction of beer he commenced this grand and heartiful production of an inspired poet. The the Committee appointed by this meeting to writer can truly say that he has often heard make a new sproliment of Harrison and the English version of this song by more preether Townships, with such blanks as may tentious voeslists, but never with such pathos, emphasis and feeling. Before the song was half finished, the chair involuntarily raised bimself from a sitting posture to a perpen dicular, with gavel in hand and eves up turned, he gently waired his emolem of authority to gentle cadence of the measure, or jerked with passionate nervousness when of the singer. Several of our glorious National songs followed in quick succession .be enlisted to the credit of Harrison Town- The beer being exhausted order was re-

stored by a feeble effort of the chair. After a few pertinent and exceedingly sensible remarks by Mr. McNarry, one of the employees, and who had remained unnec-A Presentation and a Gay Time. | essarily quiet and excluded during the even-Saturday evening last the employees of ling, the whole company joined in Old Lang. the Terre Haute & Richmond Road present- | Syne, shook bands with Tom and went home. Night's Dispatches.

SCHUSIVELY TO THE WARASH EXPRESS

From New York. NEW York, Jan. 16 .- The Herald's Washington special says, Admiral Porter has sent a communication to the Navy Department. in which he responds to same of Butler's statements in recard to the naval part of the edgoedition delaying the attack on Ft. Fisher. and thus pausing its fallure. He says that the only work assigned to the Navy, was to sileuce the rebel works, and that it did that effectually, on the 24th and 25th of December; but that as Gen, Butler then decided an assault by his military f ree unfeasible, it would not have been less so on an earlier Union prisoners in the south, and double that The position of the vessels are near the day. He is of the opinion that the Fort number of rebel prisoners in the north, We same as in the former fight excepting the could easily have been taken by the troops, if an effort bad bean made. Gen. Butler fight in a good cause to inaugurate this sys- quanter of a mile nearer to Fort Fisher than started on the expediton, the Admiral says, before the naval fleet was ready to co-operate with him, and thus, by exposing his

ten up in a very unwilling manner. The Rerald's Cumberland, Maryland, disgreat Auction Sale, of ready made clothing | patch says, there was a report to Sheridan's and furnishing goods will take place. This army on Saturday night, that a large body of rebels was advancing on Weston, Lewis county, Virginia, situated on the west branch of the Monongabbela river; but accounts were true, but yet, no action had been tafrom that region vesterday, did not confirm

transports to the view of the enemy, warned

them of their danger. He also charges that

A cavalry expedition left camp at Winchester on the 10th, and proceeded as far as Berryville, 12 miles southward, without meeting any enemy, except a few guerrillas who kept well off. The command then proceeded to Millwood and found that no rebels had been there for neveral weeks. Thence they proceeded to the Shenandosh which they found unfordable. They learned that Rosser's cavalry had gone into winter quar- ed to retaliate if a bair of his head was hurt. ters at Statuton, and Mudwall Jackson's command was at Creighton's.
